

# Fire Damage

## Saving Memories Just in Time

After a fire is extinguished, damage continues for days; quick response can be the difference between recovery and permanent damage. Our team responds with urgency and sensitivity 24 hours a day, 7 days a week to professionally salvage your property.

## Thorough Cleanup & Respect

We treat fire-damaged property as if it were our own. Every item, from your walls to your smallest keepsake, is cleaned respectfully and professionally.

We understand the trauma you and your loved ones are facing. PuroClean rescues property with compassion and minimal disruption to your daily life.

We do not call it a day until we exceed your expectations.

## Ongoing Communication

Our certified professionals evaluate the fire damage including smoke, heat and residue.

At every step we keep you and your insurance agent informed. We want everyone involved to understand what is happening, what to expect, and what to do to overcome the loss.

## Did You Know?

?

*Within hours of a property fire, metal fixtures like faucets and door handles begin to tarnish. While you can work to prevent some damage yourself, certain items must be left for trained technicians.*
